Processes and documents for purchasing and related contracts in SAP

Control centre for your Purchasing

Time-consuming approval workflows, incomplete supplier information, lengthy invoicing times: Which challenges in procurement and contract management are taking up too much of your time? With high-performance products from XFT, you can simplify your most important processes. And if demands increase, you can easily expand with new products or customized solutions.

XFT Purchase Manager

Manage the entire procurement process from start to finish.

- Consolidate all procurement-relevant documents in transaction files.
- Create transparency over approvals.
- Automatically document processes.

XFT Contract Manager

Manage all contracts centrally – from preparation to extension.

- Manage your contracts throughout their lifecycle.
- Maintain control over all conditions and deadlines.
- Ensure compliance throughout.

XFT Confirmation Manager

Process order confirmations more quickly and easily than ever before.

- Centralize all order data.
- Process order confirmations with a high level of automation.
- Keep deadlines in view at all times.

XFT Invoice Manager

Process incoming invoices automatically across departments.

- Significantly reduce invoice processing times.
- Document each stage of approval, ensuring legal compliance.
- Use early payment discounts more effectively.

XFT Document Composer

Create Word and Excel documents directly in your SAP system.

- Create documents in a secure SAP process environment.
- Avoid external steps and switching between systems in daily work.
- Create new templates easily.
